Dear Jean and Paul,

We are extremely pleased with our website. You are truly web-masters. We are especially grateful for the time you took to meet with us. Your knowledge and insight to the World Wide Web and all of the nuances associated with obtaining maximum exposure as well as user and visitor interface was most appreciated. Since the launch of the site, we have received positive feedback from those whom have visited the site. Again, thank you. If you should ever need a reference, please do not hesitate to use us. It is our intent to continue to call upon you for all of our website needs.

With much appreciation,  
Steven Jackson – President
